The corporate philosophy is oriented around quality of our services and utmost customer satisfaction. The performance spectrum ranges from a complete building solution as a general contractor (G+4 structure) to Interior design and supply of certain high-end materials for construction industry.

Sustainability

Behave responsibly, living up to the World Win values, and General Business Principles.

World Win Interior Design LLC understands the environmental, socio-economic influence of our activities and that it is our responsibility to conduct our business in a transparent and ethical manner that supports our goals for client service, environmental performance, community involvement, financial strength and employee health, safety and wellbeing. Our core values of integrity, teamwork and commitment guide our activities and we expect the organizations with which we do business to share our values and commitments.

CUSTOMER SATISFACTION

As a company we pride ourselves on our customer service and satisfaction, product knowledge and experience. This helps us to ensure we provide our customers the highest quality service to match. Our customers are very important to us so we will do everything that we can to make sure that they are taken care of!

The skilled and experienced team at World Win Interior Designs LLC believes that it is imperative that we provide our valued clientele with reliable and trustworthy customer service.

As an early pioneer of self storage, Metro stands out from the crowd of storage providers, and while others may follow in our footsteps, we set the bar high to define outstanding customer service in our industry. At Metro Self Storage, we honor our Total Customer Satisfaction Pledge by continuously finding innovative ways to bring you the best storage experience possible.

ENVIRONMENT

We take genuinely the impact of our business activities on the environment. We believe care for the environment is a vital part of the way in which we do business. It is our policy to ensure that both our people and our suppliers operate in an environmentally cognizant manner.

Our Services

LUXURY VILLAS

Working to our client's instructions we build and maintain luxury villas of various sizes carrying out all aspects of the project.

We take great care in our villa projects and pride ourselves on our teamwork, efficiency and cleanliness. We have established a reputation in the United Arab Emirates for leaving a tidy site and for paying attention to the 'finishing touches'.

INDUSTRIAL & WAREHOUSE

Our range of industrial and commercial construction and maintenance projects reflects our wide experience in creating quality buildings to high specifications.

From storage sheds to warehouses, we can design and build industrial buildings and warehouses that meet client's requirements. With our attention to detail and high quality fitting and finishing, we ensure your next industrial or commercial premises are both practical and functional from day one.

ALUMINIUM & GLASS WORKS

We carry out installation of aluminium and glass products to exacting standards. Our experienced installation teams have a vast array of expertise.

MAINTENANCE WORKS

We are specialized in serving various industry sectors by predominantly providing utility infrastructure installations and the ongoing maintenance support required to ensure that your facility is always operating to its optimum requirements.

INTERIOR DESIGN & FITOUT JOBS

Over the years we have been fortunate enough to work with some of the UAE's leading property developers providing award winning showhouse interior design and furnishing solutions.

Our goal is to help each client maximise the full potential of their home or office, introducing bespoke designs which are tailored to their individual requirements.
